

## Events Menu

These menus are designed as a guide and can be adapted to suit individual style, taste and budget. We are completely flexible and will gladly create a menu for your specific event.

All our dishes are prepared using fresh, seasonal ingredients with the emphasis on simply presented but exceptionally tasty food.

To complement your meal we offer a wide selection of wines along with bottled beers and minerals. Please tell us if you have any particular favourites.

If you have any queries regarding your menu requirements please contact Jane Gallogly on 01748 825340
